

ADAIR COUNTY COMMISSION MINUTES
MONDAY, AUGUST 11, 2014
4TH DAY JULY ADJOURNED

The Adair County Commission convened at 8:30 a.m. on August 11, 2014 in the Courthouse at Kirksville. Presiding Commissioner Pickens and Commissioner Adams were present. Commissioner Thompson was absent.

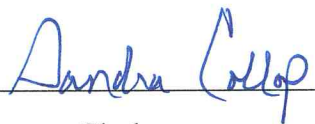

The Commission spoke with members of the public regarding road conditions. Mr. Watson of Sabbath Home Way was interested in the procedures of how a road is maintained. Plus a citizen located near the end of Hackberry Lane inquired about the County maintaining their lane. The Commission stated that since their lane was private they would have to maintain the road themselves.

Associate Circuit Judge, Kristie Swaim, and Adair County Circuit Clerk, Linda Decker, informed the Commission that electrical work was needed to upgrade for electronic devices that would be installed in the Circuit Clerk's office. A contractor estimated that the cost of an upgrade would be approximately \$3,500. They stated, it had not yet been determined if the State would pay for the expense.

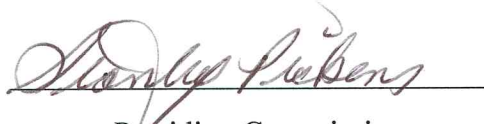

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on August 11, 2014.
