## Community Kiosks

The Adair County Sheriff's Office attempts to keep the public informed through a number of different methods. One such method is our "Community Pro-Tektor" kiosks.

The first of our kiosks were purchased in early 2017. All of the kiosks have been purchased through funding provided by the Law Enforcement Restitution Fund and thus no tax dollars have been utilized.

Currently we have four kiosks located within the community.

- **Hy-Vee**
  - 500 N. Baltimore St.
- **Menards**
  - 3309 N. Baltimore St.
- **McDonald's**
  - 2210 N. Baltimore St.
- **McDonald's**
  - 1401 S. Baltimore St.

The kiosks provide information by displaying various "campaigns" within three zones. Types of information typically displayed include, but are not limited to:

- Crime Prevention
- Weather
- Amber Alerts
- Persons currently detained in the Detention Center
- Wanted Persons
- Public Safety Announcements

The Pro-Tektor® kiosk system is a state-of-the-art, multi-functional **national network of connected kiosks**. This unique feature allows us to share information with other jurisdictions around the state and country that also have this system. If we have a wanted person who we believe has fled our jurisdiction, we have the ability to take our "Wanted" campaign and with the press of a few buttons, share that campaign with other agencies outside our jurisdiction where we feel our wanted person may have fled.
