

ADAIR COUNTY COMMISSION MINUTES
WEDNESDAY, AUGUST 14, 2019
6TH DAY JULY ADJOURNED

The Adair County Commission convened at 8:30 a.m. on August 14, 2019 in the Courthouse at Kirksville. Presiding Commissioner Shahan and Commissioner Thompson were present. Commissioner King was absent.

The Commission spent the morning inspecting County roads.

At 3:40 p.m., the Commission met with Mike Deren and Larry Gibson of Group Benefit Services who administer the health care plan for Adair County. They wanted to give the Commission an update of where the County stands on claims for 2019 and discuss new trends in the health care industry. They reported that health care reserves were slightly lower than this time last year, but reserves continue to remain stable.

Mr. Deren will be in the area again in a few months and will bring information to discuss aspects of the policy with Presiding Commissioner Shahan. This will help him to better understand the healthcare plan of the County.

The Adair County Commission adjourned at 5:15 p.m.
