10TH DAY OCTOBER REGULAR**

The Adair County Commission convened at 8:30 a.m. on October 27, 2014 in the Courthouse at Kirksville. All Commissioners were present.

At 9:45 a.m., the Commission met with Adair County Sheriff, Robert Hardwick; Dave Hurt, Finance Coordinator for the Sheriff's Department; Adair County Treasurer, Lori Smith and Adair County Clerk, Sandy Collop. Also present was KTVO television.

The Sheriff stated that a 10 year grant the department had participated in had ended on September 30, 2014. The funds had covered drug surveillance and search warrant service operations throughout the County. He was requesting that money be moved from one of the department's fund to another in order to continue paying for this services at the same rate as the expired grant.

Mrs. Smith stated that the County does not provide for in-house grants and didn't even know if we had the capability to do that. Mrs. Collop had checked with the Missouri State Auditor's office and their recommendation was to pay wages at an overtime rate if the services were to continue. It had not been determined if the Law Enforcement General Fund could sustain this expense, but they were requesting separate funding.

Additional information would need to be gathered in order to go forward with the request.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on October 27, 2014.
