

ADAIR COUNTY COMMISSION MINUTES
MONDAY, APRIL 14, 2014
6TH DAY APRIL REGULAR

The Adair County Commission convened at 8:30 a.m. on April 14, 2014 in the Courthouse at Kirksville. All Commissioners were present.

The Greentop Fire District met with the Commission to address concerns over fire district maps. They were looking for verification on district lines so that the proper fire district was being sent to the fires and customers were being charged by the appropriate fire district.

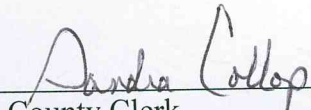

The Commission explained that they had no authority over the fire districts. It was decided that the best solution was for all the fire districts to set down together and work through the problems together. The Greentop Fire District will contact the other districts to schedule a meeting in the future to do this.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on April 14, 2014.
