ADAIR COUNTY COMMISSION MINUTES TUESDAY, APRIL 21, 2015 9TH DAY APRIL REGULAR

The Adair County Commission convened at 8:30 a.m. on April 21, 2015 in the Courthouse at Kirksville. All Commissioners were present.

The Commission prepared a letter to the Missouri Foundation for Health regarding a grant award for the Second Judicial Circuit of Missouri. The letter requested that the grantee be changed from Adair County to the Second Judicial Circuit of Missouri. The Second Judicial Circuit applied for the grant using the name "County of Adair d/b/a 2nd Judicial Circuit, Juvenile Division" with Adair County's Tax Identification Number. As the County is no longer responsible for the overall administration of the 2nd Circuit programs per the Settlement Agreement of December, 2014, the grant needed to be amended to reflect this change.

The Commission received a thank you card from Carol Cox, Primary Investigator for the Missouri Foundation for Health grant. Ms. Cox thanked the Commission for all their help to amend the Missouri Foundation for Health grant in order for the Bruce Normile Juvenile Justice Center to continue serving the youth of the 2nd Judicial Circuit.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on April 21, 2015.
