

**ADAIR COUNTY COMMISSION MINUTES  
WEDNESDAY, APRIL 3, 2013  
3RD DAY APRIL REGULAR**

The Adair County Commission convened at 8:30 a.m. on April 3, 2013 in the Courthouse at Kirksville. All Commissioners were present.

The Commission met with Shannon Howe and Jackie Albright of Benton & Associates to conduct a pre-construction conference for Adair County Bridge NO. 1200141 BRO-B001 (46) Normandy Way and Adair County Bridge NO. 17600081 BRO-B001 (47) Campbell Cemetery Way. Also present were, Ron Watts and Amy Crawford, Area Engineer – North Region, both of the Missouri Department of Transportation (MoDOT); and Duane Bailey and Steve Ward of Bleigh Construction Company. On February 27, 2013, Bleigh Construction was awarded the bid to build both bridges.

It was reported that Oden Enterprises would be supplying the metal beams for both bridges. Delivery is scheduled for the end of May or the first part of June. Anticipated start date is April 22, 2013 with constructing beginning on the second bridge two to three weeks later. Bleigh intends to prepare a weekly plan in advance, weather permitting, to provide to the engineer. MoDOT will periodically be on sight to spot check their work. Benton & Associates stated they would be performing the concrete testing. Bleigh Construction will be responsible for all construction.

Documents were signed by all parties for both bridges and copies were presented to all participants. Benton & Associates returned the original bidding documents from the February 19, 2013 bid opening with Bleigh Construction.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on April 3, 2013.
