

ADAIR COUNTY COMMISSION MINUTES
MONDAY, AUGUST 4, 2014
1ST DAY JULY ADJOURNED

The Adair County Commission convened at 8:30 a.m. on August 4, 2014 in the Courthouse at Kirksville. Presiding Commissioner Pickens and Commissioner Thompson were present. Commissioner Adams was absent.

At the request of the Adair County Prosecuting attorney, Matt Wilson, Commissioner Thompson moved to amend the current budget to reflect an increase in revenue account 903-4-000-600.600 Restitution to Victims in the amount of \$95,000.00 and an increase in expense account 903-5-001-600.000 Restitution to Victims in the amount of \$85,000.00. Presiding Commissioner Pickens seconded the motion.

This amendment is the result of a six month budget review with Mr. Wilson to adjust unanticipated revenues associated with this account. Per the Missouri State Auditor's office, revenues are collected by the Prosecuting Attorney's office and now deposited with the Adair County Treasurer for distribution.

Commissioner Thompson moved to amend the current budget due to unanticipated revenues of a large worker's compensation refund from a recent audit. Presiding Commissioner Pickens seconded the motion. The total increase in revenue for the County was \$9,421.67. Increases in revenue lines include General Revenue – 101 for \$965.65; Road and Bridge – 201 for \$4,311.00; Law Enforcement General – 801 for \$4,082.54; PA Administration – 903 for \$18.95; and Child Support Enforcement – 905 for \$43.53. Payments were receipted on 5/30/2014, 6/30/2014, and one will be receipted on 8/30/2014.

At 10:15 a.m., the Commission met with Adair County Assessor, Donnie Waybill, to close the Board of Equalization (BOE) Hearings for 2014. Mr. Waybill stated that he had not received further communication from prospective opponents. At the recommendation of Mr. Waybill, Commissioner Thompson moved to close BOE Hearings for 2014. Commissioner Pickens seconded the motion.

The Commission spent the rest of the day attending to County business.
