Dear Bill,

We are grateful to you and your firm for your extensive efforts afforded to Adair County. Teleplus demonstrated first hand their specialty in providing Telecom cost control in the public sector. Your company was able to reduce our overall spending and provide recoveries for billing errors with a considerable saving to the County.

Adair County is a proponent of your operation and will definitely recommend your firm and services to others in the public sectors as well as business professionals whom are looking to gain clarity with their confusing telecommunication costs.

Your team was a pleasure to work with and once again thank you for your caring efforts and services.

Sincerely,

 Stanley Pickens
Presiding Commissioner

 Carson Adams
