8TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on February 24, 2020 in the Courthouse at Kirksville. All Commissioners were present.

At 9:30 a.m., the Commission met with Brett Peters of Caterpillar. Mr. Peters presented the Commission with a sales proposal for two new Caterpillar 140-15AWD motor graders. This would include trading in two graders that are at the end of their warranty.

Mr. Peters discussed how the new graders had name changes between 12M3 and 140 and to the 140 and 150. They discussed the different options on equipment, service plans, and maintenance training for the employees. Prices are set for the year and they could expect fall delivery.

The Commission thanked Mr. Peters for coming and said they would be in touch if they had any questions. They were not making any decisions today.

At the recommendation of the Edgar Law Firm, Presiding Commissioner Shahan signed documentation regarding the "Opioid Matter – Representation of Other Entities" from the Edgar Law Firm. By signing this document, Adair county acknowledges there exists the possibility that a future, waivable conflict may arise due to limited funds available to a bankrupt defendant in a bankruptcy action. The Edgar Law Firm is representing Adair County in a civil suit against those legally responsible for the wrongful manufacture and distribution of prescription opiates and damages.

Commissioner Thompson moved to sign the document. Presiding Commissioner Shahan seconded the motion. Commissioner King concurred. All voted in favor of the motion. The document will be on file in the County Clerk's Office. It will be sent to the Edgar Law Firm.
