

**ADAIR COUNTY COMMISSION MINUTES**  
**MONDAY, MAY 3, 2021**  
**1ST DAY APRIL ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on May 3, 2020, in the Courthouse at Kirksville. All Commissioners were present.

At 10:00 a.m., the Commission met with Howard Carter and Lyle Jobe of Huber & Associates. The meeting was held via zoom. They wanted to discuss the future upgrade of IT equipment within the Courthouse. As the Courthouse will be undergoing a renovation in the coming months, internet needs and expectations need to be considered as the process begins.

The Commission is requesting internet availability on all three floors of the Courthouse. This will provide connectivity for the Court systems on the first and third floors which is not available at this time. Mr. Jobe thinks an onsite survey should be conducted to get dimensions and knowledge of materials that comprise the structure. Commissioner King can provide a floor plan of the building. Presiding Commissioner Shahan said we are in the planning stages and a start date has not yet been determined.

Mr. Carter and Mr. Jobe thanked the Commission for the information on the project and an ample timeframe to complete a detailed plan. Once they have compiled all their information, they should be able to complete a detailed plan in two to four weeks.

The Adair County Commission adjourned at 4:00 p.m. on May 3, 2021.
