

**ADAIR COUNTY COMMISSION MINUTES**  
**WEDNESDAY, NOVEMBER 6, 2019**  
**3RD DAY OCTOBER ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on November 6, 2019 in the Courthouse at Kirksville. Presiding Commissioner Shahan was present. Commissioner Thompson was absent in the morning. Commissioner King was absent in the afternoon.

At 10:15 a.m., Adair County Circuit Clerk, Linda Decker, called the meeting of the Adair County 2019 Salary Commission to order in the Commissioner's suite on the second floor of the Courthouse. Attending the meeting were Adair County Presiding Commissioner, Mark Shahan; Adair County 1<sup>st</sup> District Commissioner, Bill King; Adair County Assessor, Kent Bryant; Adair County Recorder, Pat Shoush; Adair County Clerk, Sandy Collop; Adair County Sheriff, Robert Hardwick; and Adair County Prosecuting Attorney, Matt Wilson. Adair County Collector, Sonja Harden, arrived late. Absent were Adair County Coroner, Brian Noe; Adair County 2<sup>nd</sup> District Commissioner, Mark Thompson; Adair County Treasurer, Lori Smith; and Adair County Public Administrator, Rhonda Noe.

Mrs. Decker asked for nominations to chair the meeting. Mr. Bryant nominated Mr. Wilson to be the chairperson for the Salary Commission meeting. Commissioner King seconded the motion. All were in favor of Mr. Wilson chairing the meeting. Mrs. Decker then excused herself from the meeting as required by statute.

Mr. Wilson asked County Clerk, Sandy Collop, to report the financial condition of the County. Mrs. Collop stated that the financial condition of the County was sound. As of this time last year, sales tax revenues have increased 4.15% (\$65,961.52). All major funds of the County were within budget. Major funds included General Revenue, Road and Bridge, Assessment, and Law Enforcement. As of October 31, 2019, the balance in General Revenue was \$706,320.38. This was an increase of 7.5% from the last time the Salary Commission met in 2017.

Mr. Wilson then asked Assessor, Kent Bryant, to report on the assessed valuation of the County. Mr. Bryant stated that the total assessed valuation of the County was \$348,820,805.00. Mr. Bryant stated that his office is slowly adding assessment values of not-for-profit entities to the total valuation.

Discussion ensued regarding how wind farms that were currently being erected in the County would be assessed. Mr. Bryant stated that was still to be determined. It was noted, however, that tax breaks for corporations building wind farms would begin to diminish at the end of 2020. Commissioner King stated the County had also amended their Enhanced Enterprise Zone (EEZ) Ordinance to no longer include wind farms in tax abatements. It was noted that a project needed to be complete in order to apply for EEZ tax abatements.

Minutes from the 2017 Salary Commission were discussed. Sheriff Hardwick recommended adopting the same language that was voted upon in the 2017 Salary Commission Meeting which included a raise to the base. Everyone was reminded that a raise to the base would be an increase for the position and would not occur until the beginning of the next term of office.
