

ADAIR COUNTY COMMISSION MINUTES
MONDAY, OCTOBER 19, 2020
6TH DAY OCTOBER REGULAR

The Adair County Commission convened at 8:30 a.m. on October 19, 2020 in the Courthouse at Kirksville. Presiding Commissioner Shahan and Commissioner King were present. Commissioner Thompson was absent.

At 10:00 a.m., the Commission met with Dale Phillips and Abby Phillips, Benefit Specialists for D Phillips Ins. LLC. Mr. Phillips said he does level funding and helps employers manage their business. He is familiar with Group Benefit Services, the current third-party health administrator (TPA) for Adair County. He spoke of a new model TPA that is a 98% managed care plan. Mr. Phillips spoke of the need for cost containment of insurance and health care costs. You could not give an employee an unlimited credit card if they have met their deductible. They offer a regional based contract and balance billing. Referenced based pricing models based on Medicare. The caveat was that they would pay our claim in a week. Providers like that. Allred National has developed this idea and has been working with this for nearly a decade. The concept is getting traction. It falls under the Affordable Care Act. It is a locked in contract with Colonial Insurance. They would do orientations with employees so they could sign up. They would send information with the employee and offer short term disability.

The Commission thanked Mr. Phillips and his daughter for the information.

At 11:00 a.m., the Commission met with Adair County Assessor, Kent Bryant, to discuss a contract to update Adair County's orthoimagery. The contract is with Surdex Corporation to complete a flyover of the County at a cost of \$31,900. Updates to the Geographical Information System (GIS) websites would be \$1000.

After discussion, Commissioner King moved to accept Surdex's proposed cost of \$31,900 to fly the County for an update to the current information. Presiding Commissioner Shahan seconded the motion. Both voted in favor of the motion.

At 1:30 p.m., Presiding Commissioner attended a meeting at the City of Kirksville with Mari Macomber, City Manager.

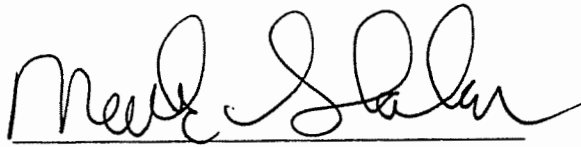

The Adair County Commission adjourned at 4:00 p.m. on October 19, 2020.
