MONDAY, SEPTEMBER 21, 2020
21ST DAY JULY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on September 21, 2020 in the Courthouse at Kirksville. All Commissioners were present.

The Commission met for the pre-construction meeting for Bridge 2840010 BRO (52) on Tiger Way. Present were Shannon Howe, Howe Company; Robert Manzke, District Design Liaison for the Missouri Department of Transportation (MoDOT); and Mike Schrage, Contractor.

Mr. Howe presented the agenda for the meeting. The schedule was reviewed with the contractor. There are no utility concerns with the project. The bridge is already closed so Mr. Manzke said there was no problem giving Mr. Schrage additional time to begin. The Commission agreed. The timeline for construction was 130 days with the drop-dead date for completion of the bridge being June 30, 2021. Everyone thought it was best to go by the June 30th date as opposed to calendar days.

The primary contact for Howe & Company will be Aaron Lukefahr. Mr. Manzke then discussed particulars with Mr. Schrage including purchasing American made products and following a step-by-step process.

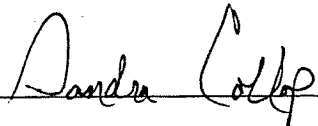

The Adair County Commission adjourned at 4:00 p.m. on September 21, 2020.
