12TH DAY OCTOBER ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on December 3, 2018 in the Courthouse at Kirksville. Presiding Commissioner Stanley Pickens and 1st District Commissioner, Bill King, were present. Second District Commissioner, Mark Thompson, was absent. Also present was Adair County Presiding Commissioner Elect, Mark Shahan.

At 9:30 a.m., the Commission met with Sarah Halstead, Kirksville Downtown Improvement Committee (KDIC) Board Member and Treasurer. She wanted to discuss the possibility to have a County evergreen tree to decorate each year during the holiday season. The decorating and lighting of the tree could become a tradition. It could be planted on the lawn of the Courthouse and everyone could watch it grow and get bigger. The Commission stated they did not have a tree plan for the Courthouse lawn, but would definitely consider a place to plant an evergreen if a tree had to be replaced.

Ms. Halstead thanked the Commission for letting her put a bug in their ear about her idea. She also mentioned that she is looking forward to the Courthouse being trimmed in lights, however, the KDIC was waiting for the ground to freeze in order to install them.

The Commission received from the City of Kirksville an "Amended Plan for an Industrial Development Project and Cost-Benefit Analysis for Kraft Heinz Foods Company Project."

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on December 3, 2018.
