

**ADAIR COUNTY COMMISSION MINUTES  
MONDAY, FEBRUARY 11, 2013**

Continued from page 30

The County's current Articles of Incorporation, known as Adair County Road Maintenance Association, could be amended to include other departments of the County as well as the Road and Bridge Department. Mrs. Rongey suggested that before any application is submitted, the County's articles of incorporation should be amended. The Commission agreed. Mrs. Rongey and Mrs. Platz will work together to amend Article 8 of the County's articles of incorporation to state that the Adair County Road Maintenance Association is formed for the following purposes: maintaining county roads, law enforcement, and maintenance/repair of the courthouse.

The Commission thanked Mrs. Rongey and Mrs. Gleason for their assistance.

The Commission met with Taylor Mueller of the Kirksville Daily Express. Mr. Mueller had mistakenly reported the General Revenue fund balance as the total for the entire 2013 Adair County budget. The entire County budget is composed of 35 funds with available monies of \$14,887,953.64. Expenses have been estimated at \$11,619,630.46. Mr. Taylor said he would run a correction in the paper.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on February 11, 2013.

The Adair County Courthouse will be closed on Tuesday February 12, 2013 in observance of President Abraham Lincoln's birthday. The Courthouse will re-open at 8:30 a.m. on Wednesday, February 13, 2013.
