

**ADAIR COUNTY COMMISSION MINUTES
WEDNESDAY, FEBRUARY 17, 2016
8TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on February 17, 2016 in the Courthouse at Kirksville. All Commissioners were present.

The Commission spoke with James Vernon of Daniel Henry Co., the current property/general liability insurance carrier for Adair County. Pat Williams, Court Services Administrator for the Second Judicial Circuit of Missouri, had asked that liability coverage for the County owned vehicles used by the Juvenile Office be removed. Mr. Williams had been told that the State Legal Expense Fund could insure the vehicles for liability coverage.

After discussion with Mr. Vernon, the Commission felt it was in the best interest of the County to keep the County owned vehicles used by the Juvenile Center insured with the current carrier. Mr. Williams will be notified of the decision.

Commissioner Adams moved to go forward in purchasing a County vehicle for use in the Public Administrator's office. Commissioner Thompson seconded the motion. Presiding Commissioner Pickens abstained from the vote. The vehicle will be purchased from Machens in Columbia, Missouri as they currently have the pre-approved State bid for the purchase.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on February 17, 2016.
