5TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on February 9, 2016 in the Courthouse at Kirksville. All Commissioners were present.

At 9:45 a.m., the Commission met with David Winters, Daniel Henry Company. Mr. Winters was here to conduct an inspection of all the County buildings to determine up to date replacement values. Mr. Winters will be accompanied by Presiding Commissioner Pickens during the inspections. He will compile the information and provide a detailed report to the Commission in the near future.

Marty Fitz, Spyglass Auditing Company, did not appear for the 10:00 a.m., meeting scheduled with the Commission.

At 11:00 a.m., Commissioner Adams and Commission Thompson met with Shannon Howe of Howe Company to discuss bridge BRO-NBIL-B001 (50), on County Line Way over the North Fork of South Fabius River. Mr. Howe had prepared paperwork for the Commission's signature regarding the 60-Day Notice for the new property owners of the easement to the above bridge. Per State Statute, the new owners needed to receive the same notification of the intent to build the bridge as the original owners. They will be offered the same consideration (\$100.00) as the original owners.

Possible future bridge projects were discussed as well as the amount of anticipated money allocated to Adair County for BRO funding projects.

Commissioner Thompson traveled in the afternoon to Columbia, Missouri to attend a board meeting for the annual County Commissioners Association of Missouri (CCAM) meeting. Presiding Commissioner Pickens and Commissioner Adams spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on February 9, 2016.

On Wednesday, February 10, 2016, the County Commission will be attending CCAM. The Courthouse will be closed on Monday, February 15, 2016, in honor of President's Day. The Adair County Commission will reconvene on Tuesday, February 16, 2016 at 8:30 a.m.
