RE: 2006 Chevrolet Impala

Dear Commissioners:

Please find enclosed herein a draft payable to the Adair County Commission in the amount of Seven Thousand Five Hundred Sixty-Three and 67/100 Dollars (\$7,563.67), representing the insurance proceeds from the total loss of the aforementioned vehicle. Unfortunately, the above vehicle was stolen from our Knox County Juvenile Office and upon law enforcement recovering the vehicle, the same was deemed a total loss.

Accordingly, Trident Insurance Company has issued the aforementioned proceeds and requested that the title and Power of Attorney be returned. I have enclosed the original correspondence, original Power of Attorney and the self-addressed stamped envelope for your review and execution.

At your earliest convenience, I would request that the title and the executed Power of Attorney be returned to Trident Insurance Company in the enclosed self-addressed stamped envelope. Additionally, I would ask that the draft in the amount of Seven Thousand Five Hundred Sixty-Three and 67/100 Dollars (\$7,563.67) be endorsed and "Payable to the Second Circuit Juvenile Office", then returned to the Juvenile Office so that the proceeds may be used to purchase a replacement vehicle. Alternatively, perhaps the Commission would rather set the funds aside until a replacement vehicle is identified and just prior to purchase, the Juvenile Office could notify the Commission and then the proceeds could be released at that time. However the Commission would like to handle this matter would be agreeable, but the Juvenile Office would like to replace the vehicle in the near future, so your timely instruction in this regard will be much appreciated.
