Mr. Rouner said the car is in the possession of Trident. That was the nature of what they do.

Commissioner Adams said we will talk to Trident. Have you already talked to Ron Harrison today?

Mr. Rouner said "No."

Mrs. Collop asked are you going to follow up on the documents.

Mr. Rouner said they would do that.

Mrs. Collop said she would like to know who was in charge of the vehicle at the time it was stolen.

Mr. Rouner stated it would be the Circuit. I can answer that right now.

Mrs. Collop said she couldn't wrap her mind around who gave the authority to act on our behalf. Are you saying that you thought maybe you were doing the right thing? Did Judge Steele authorize that?

Mr. Rouner said I think we kind of talked a little bit about that in our conversation before so I appreciate being cooperative.

Mrs. Collop said yes, but what was your answer? I didn't get that.

Mr. Rouner said I think we've gone through this. I appreciate the follow up but I think we've gone through this.

Mrs. Collop asked can you guys tell me who gave you the authority to act on the Commission's behalf. Did you take it upon yourself?

Mr. Rouner said he didn't take anything upon myself. He thought he had adequately covered that.

Mrs. Collop said can I assume then that Judge Steele is the one that asked you to go forward with that and not contact the Commission?

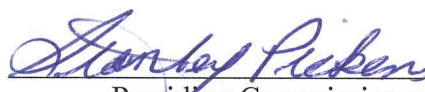

Mr. Rouner said there was no conscious decision not to contact the Commission with this process. We were following through with getting the proceeds.

Mrs. Collop said so it was you then?
