

**ADAIR COUNTY COMMISSION MINUTES
TUESDAY, JULY 1, 2014
1ST DAY JULY REGULAR**

The Adair County Commission convened at 8:30 a.m. on July 1, 2014 in the Courthouse at Kirksville. All Commissioners were present.

The Commission met with Chamberlain and Christy Meek and their two children, Teagan and Arowyn. Mr. and Mrs. Meek own 75 acres with a lane off of Potter Road. Eventually two residences would be constructed and both would have substantially long driveways. Mr. and Mrs. Meek were requesting the Commission to name this lane Salt Island Rd. The road is located between address 20654 and 20772 Potter Road in Kirksville.

Commissioner Thompson moved to declare the private drive referred to above to be a private drive and be known as Salt Island Road. Commissioner Adams seconded the motion with all in favor. The Commission will give official notice to the City of Kirksville of the name addition. E-911 sign addresses will be assigned by the City of Kirksville.

The Commission sent a letter to Amy Crawford of the Missouri Department of Transportation choosing the intersection of Highway 6 and Highway 63 bypass as an urgent candidate for an overpass intersection.

Presiding Commissioner Pickens and Commissioner Adams signed the "Permit to Work on Right of Way" with the Missouri Highways and Transportation Commission. This allows the County to re-construct a portion of Laurel Lane to Rte. 63 during the bridge replacement on Laurel Lane. This will be a temporary approach to Rte. 63 and must be removed when the bridge project is completed. The Adair County Commission is responsible for the construction, removal and cost of the approach.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on July 1, 2014.
