

## ADAIR COUNTY COMMISSION MINUTES

**TUESDAY, JULY 31, 2012**  
**13TH DAY JULY REGULAR**

The Adair County Commission convened at 8:30a.m. on July 31, 2012 in the Courthouse at Kirksville. All Commissioners were present.

The Commission along with Adair County Road and Bridge Supervisor, Clifton Engle, conducted a six month budget review of the Road and Bridge Department. Also present, was a representative of KTVO Television.

Budget balances were discussed in relation to the amount of work the Road and Bridge Department had scheduled for the remainder of the year. Balances appeared to be within the scope of the work left to be done. The media inquired as to what would be the future of the bridge crew. The Commission stated that the bridge crews could replace road tubes and work on wooden bridges. When asked, even though all the rock had been hauled and no one was purchasing rock, did the Commission expect other layoffs? The Commission answered "No".

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00p.m. on July 31, 2012.
