MONDAY, JULY 6, 2015
2ND DAY JULY REGULAR**

The Adair County Commission convened at 8:30 a.m. on July 6, 2015 in the Courthouse at Kirksville. All Commissioners were present.

Participants of Senate Bill 40 (SB40) toured the Courthouse. The children ranged in age from 13 to 15 and stopped by to see the offices of the County Commission, County Collector, County Clerk, and the courtroom of the Associate Circuit Judge.

The Commission spent the afternoon touring County roads. Roads included Missouri Street which was in good condition and Morgan Way which had a washed out tube. The Road and Bridge Department was notified to close the road until the tube could be replaced. The bridge on Normandy Way was inspected due to a large root ball that was catching debris. The Road and Bridge Department was notified of the situation so the obstacle could be removed.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on July 6, 2015.
