Deb Wohlers
Adair County SB40 Developmental Disability Board
314 E. McPherson St.
Kirksville, MO 63501

Dear Mrs. Wohlers,

The Adair County Commission appreciates the service and dedication of Jeff Silvermail, Beverly Grubrich, and Elaine Scudder, to the Adair County SB40 Developmental Disabilities Board. All three have carried out their duties commendably and have consistently demonstrated commitment to the mission of the Board in serving persons with developmental disabilities in Adair County.

It is our understanding that their appointed terms will end effective 7-1-15. You have indicated that they would be willing to serve the Board for another three year term, so it is our pleasure to recommend their appointment to the Board. Their terms will commence 7-1-15 and expire 7-1-18. If we can further assist in any way, please let us know.

Thank you,

 Stanley Pickens Presiding Commissioner	 Carson Adams 1st District Commissioner	 Mark Thompson 2nd District Commissioner
