

ADAIR COUNTY COMMISSION MINUTES
MONDAY, JUNE 15, 2015
18TH DAY APRIL ADJOURNED

The Adair County Commission convened at 8:30 a.m. on June 15, 2015 in the Courthouse at Kirksville. All Commissioners were present.

Adair County Clerk, Sandra Collop, reported that on June 12, 2015 at 1:25 p.m. she received a phone call from Ron Harrison of Whitney Harrison Insurance Company. Mr. Harrison called to report that on Wednesday, June 10, 2015, an employee of the Juvenile Justice Center was driving a vehicle of the County and bumped into a fellow employee's parked car on the parking lot of the center. The employee was attempting to pull into a parking space and hit the parked vehicle. There was not a police report of the incident. Mr. Harrison has asked the owner of the parked vehicle to obtain two estimates for repair. Mr. Harrison was unsure as to which vehicle the employee was driving but would obtain that information.

At 1:30 p.m., the Commission met with Amy Crawford, Area Engineer – North Region; Rodney Welch, Area Maintenance Superintendent; and Monte Fisher, Maintenance Supervisor – Kirksville, all from the Missouri Department of Transportation (MoDOT). Ms. Crawford talked about changes within the department to address the shortfall of monies that MODOT will be experiencing in the near future.

Ms. Crawford discussed projects they were working on in the area. These included, areas where County roads join MoDOT pavement; on Route J north of Brashear near Pevehouse Way the road is undermined; the use of Round-up to destroy vegetation had undermined roads; and discussed an opening on the MoDOT board that needed to be filled by an interim appointment until the Governor appoints a permanent replacement. Ms. Crawford suggested that everyone contact their State Senators regarding the appointment as they had the ear of the Governor.

Ms. Crawford ended the conversation stating MoDOT had plenty to do, just no money to do it with.

At 2:25 p.m., the Adair County Commission adopted the following resolution:
