

ADAIR COUNTY COMMISSION MINUTES
MONDAY, JUNE 2, 2014

Continued from page 357

Adair County Clerk, Sandra Collop, told the Commission she had received an e-mail from Dave Hurt, Sheriff's Department Finance Coordinator, concerning employees of the Sheriff's Department not receiving compensation back to their anniversary date for merit raises. Mrs. Collop stated she told Mr. Hurt that the employees were given the new pay increase when the paperwork was received in the Clerk's office. She wanted the Commission to be aware that she had given Mt. Hurt a copy of the policy dated February 16, 2011 and he felt this was not fair to the employees. Mr. Hurt was also given a copy of the Commission minutes dated 2-16-11 of the elected official's minutes when they were notified of the policy.

The Commission spent the afternoon checking county roads. They inspected Potter Road to check the condition of the cold patch. The Commission also checked Burrows Road to determine if Tri-County had moved telephone poles but found they had not done so at this time. They continued to check additional county roads to see if there were any maintenance issues to address. That list included; Rye Creek Road, Motter Hill Road, Connelsville Road, Foothill Road, Bethel Ridge Road, Spring Creek Road, Campbell Cemetery Trail, and Dupree Trail.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on June 2, 2014.
