Heating, Air Conditioning & Refrigeration

Bid

June 16, 2014

Adair County Courthouse
106 West Washington Street
Kirksville, Missouri 63501

Bid Scope: Remove and dispose of all old equipment and used materials. Supply and install new Weil-McLain Boiler, model number SF1500 as instructed by the manufacture. Provide system, vent, gas and water supply piping, pumps, variable frequency drives on all pumps, controls and electrical needed for pumps and boiler. Update each room zone with new motorized zone valves and wall thermostats, including electrical wiring to each zone valve.

Project Schedule: The project will start on a date directed by owner and will be completed by the agreed upon date by owner and contractor.

Cost: \$122,042.22. Payable as directed in accepted contract between both parties.
