

**ADAIR COUNTY COMMISSION MINUTES
MONDAY, MARCH 11, 2013
14TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on March 11, 2013 in the Courthouse at Kirksville. Commissioner Pickens and Commissioner Adams were present. Commissioner Thompson was out of town.

At the request of Adair County Sheriff, Robert Hardwick, Commissioner Adams moved to transfer \$116,666.66 from Law Enforcement Services (301-5-001-400.000) to Law Enforcement General (801-4-000-700.200). Commissioner Pickens seconded the motion.

The Commission met with Adair County Human Resource/Grant Writer, Beth Platz; Adair County Treasurer, Lori Smith; and Adair County Clerk, Sandra Collop to discuss the grant application process as outlined in the Adair County Policy and Procedures Policy. All were in agreement that the County should pursue the grant opportunity made available by Louann Rongey of the United States Department of Agriculture (USDA). Mrs. Rongey had originally outlined the grant to the Commission and Sheriff's Department on February 11, 2013. If funds are awarded, they could be used to help finance the purchase of a road maintainer for the Road and Bridge Department and/or vehicles for the Sheriff's Department. Presiding Commissioner Pickens then signed the first phase of the grant. A public hearing was scheduled for Monday, March 25, 2013. A press release will be run in the newspaper to invite the public.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on March 11, 2013.
