

**ADAIR COUNTY COMMISSION MINUTES
TUESDAY, MARCH 19, 2013
18TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on March 19, 2013 in the Courthouse at Kirksville. All Commissioners were present.

Adair County Collector, David Erwin, presented the Collector's Annual Settlement statement for the year ending February 28, 2013. Mr. Erwin reported \$16,139,977.46 in total charges with \$15,175,360.22 in total distributions. With distributions being lower in 2012, more delinquent taxes were carried over for 2013.

Mr. Erwin asked the Commission if they were going to replace the entrance doors to the County Commission office. He has offered to pay for the cost of the installation for their office, the County Clerk's office and the County Recorder's office. After discussion, Commissioner Adams moved to replace the doors to the office of the County Commission at the expense of the Collector's Tax Maintenance Fund. Commissioner Thompson was not in favor of the motion. Commissioner Pickens voted in favor of the motion which then passed. Once installed, entrances to all County offices on the second floor of the Courthouse will be uniform.

The Commission spent the afternoon inspecting County roads. Yarrow Trail was in good condition, Youngstown Trail needed attention, and Radical Ridge had one bad place that has already been addressed by the Road and Bridge Department.

The Adair County Commission adjourned at 4:00 p.m. on March 19, 2013.
