

ADAIR COUNTY COMMISSION MINUTES

MONDAY, NOVEMBER 5, 2012 1ST DAY OCTOBER ADJOURNED

The Adair County Commission convened at 8:30 a.m. on November 5, 2012 in the Courthouse at Kirksville. All Commissioners were present.

The commission met with Stephanie Annabel and Bill Bray from Teleplus. Stephanie told the Commission that renewal time on contracts with phone service and internet is fast approaching. The commission was presented with 4 options that they will review to determine which best meets the needs of the county. Mr Bray discussed the different Telecom packages discussing the benefits of each package. Once the commission has decided and is ready to move forward Mr Bray is willing to either give the commission the information they need to acquire the new service or for a fee of \$1200.00 he would take care of getting the new service setup.

Ms Annabel also stated that Teleplus now offers utility auditing and if the Commission is interested she would be happy to take one month worth of these utility bills and see if she is able to find savings for the county.

The Adair County Commission adjourned at 4:00 p.m. on November 5, 2012.
