

**ADAIR COUNTY COMMISSION MINUTES
MONDAY, OCTOBER 1, 2018
1ST DAY OCTOBER REGULAR**

The Adair County Commission convened at 8:30 a.m. on October 1, 2018 in the Courthouse at Kirksville. All Commissioners were present.

The 1st reading of the petition to close Deerwood Trail was at 9:30 am in the Adair County Commissioner's Office. Those attending were Presiding Commissioner Stanley Pickens, 1st District Commissioner Bill King, 2nd District Commissioner Mark Thompson, Cole Scroggs, Andy Whittom, and Shaun Baker who arrived after the discussion began.

2nd District Commissioner Mark Thompson read the petition and opened the floor to discussion.

Mr. Scroggs stated that he wanted the road closed because of people dumping trash, trespassing, and having no business on the road. With the road being closed he feels like it would be easier to keep people from trespassing.

Mr. Whittom stated he is opposed to the closing the road due to the need of accessing his property.

Mr. Scroggs said he didn't want to stop the property owners from getting to their property just to stop people that didn't need to be out there. He asked about giving the others easement to reach their properties.

2nd District Commissioner Thompson told them that the Commission couldn't give easements. He suggested that they talk with an attorney about the cost and requirements for an easement.

Mr. Baker joined the meeting at this time and was updated on what was discussed. He said he didn't know there was a problem but didn't like that people were trespassing.

Mr. Scroggs said he would talk to an attorney and find out about getting a permanent easement for both landowners to be able to reach their properties.

2nd District Commissioner Thompson said that the 2nd reading of the petition would be held in 3 months on the 1st day of session.

The Adair County Commission adjourned at 4:00 p.m. on October 1, 2018.
