

**ADAIR COUNTY COMMISSION MINUTES  
TUESDAY, OCTOBER 1, 2013  
1ST DAY OCTOBER REGULAR**

The Adair County Commission convened at 8:30 a.m. on October 1, 2013 in the Courthouse at Kirksville. Presiding Commissioner Pickens and Commissioner Adams were present. Commissioner Thompson was absent.

Commissioner Pickens and Commissioner Adams toured and inspected County roads and bridges. Some of the road included Igloo Lane, Banner Lane, Cranberry Lane, Cambridge Lane, Archer Lane, and Grade Lane. There was nothing to address immediately regarding road conditions. The bridge on Paultown Way had experienced some settling, but this had been corrected. The bridge on Campbell Cemetery Trail has been completed.

It had been determined that Tri-County Electric had set utility poles too close to the County's right-of-way on Burrows Road. Tri-County has agreed to relocate these poles to the proper distance from the right-of-way. The poles will be reset into a farm field after the crop has been harvested.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on October 1, 2013.
