WEDNESDAY, SEPTEMBER 16, 2015  
20TH DAY JULY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on September 16, 2015 in the Courthouse at Kirksville. Presiding Commissioner Pickens and Commissioner Adams were present. Commissioner Thompson was attending an out of town Solid Waste Management Meeting being presented by Northeast Regional Planning.

The Commission met with Court Services Administrator of the Juvenile Justice Center, Pat Williams. Mr. Williams stated he wanted to get conversations started regarding the budget for the Second Judicial Circuit. He asked the Commission to come to the Juvenile Center to walk the facility to see how it has changed over the past few years. He also wanted to give the car keys to the Commission of the vehicles owned by the County that the Juvenile Center would no longer be using. Mr. Williams stated that the Juvenile Center has leased and taken possession of two new vans and are in the process of obtaining an Impala.

Mr. Williams and the Commission reviewed some aspects of the December, 2014 Settlement Agreement. This included the \$25,000 in total to be received annually by the Juvenile Center proportionally from Adair, Knox, and Lewis Counties; the Maintenance of Effort used to lower the debt on the Juvenile Justice building; and the reserve account that would solely be used for capital repairs or catastrophic events related to the Bruce Normile Juvenile Justice Center.

The Commission agreed to tour the Juvenile Justice Center next week.

The Commission spent the rest of the day attending to County business.
