

**ADAIR COUNTY COMMISSION MINUTES
TUESDAY, SEPTEMBER 20, 2016**

Continued from page 383

Mrs. Macomber told the Commission that she had been contacted by Phelps Farm Services business on Round Barn Way about a road sign. She said that she had contacted MoDot and they stated they would not do a road sign but would maintain the road. Mrs. Macomber and the Commission discussed if the business was in the city or county and it was determined to be outside city limits.

Presiding Commissioner Stanley Pickens stated that this road was built by MoDot and had not been accepted as a county road. To be accepted as a county road it would require 3 or more homes but at this time it does not meet that requirement. So it would be a private road by county standards. If the business wishes to purchase a road sign, Presiding Commissioner Pickens said that the Road and Bridge Department could place the sign.

The Commission spent the rest of the day attending to County business.

The Adair County Commission adjourned at 4:00 p.m. on September 20, 2016.
