

**ADAIR COUNTY COMMISSION MINUTES**  
**TUESDAY, AUGUST 24, 2021**  
**11TH DAY JULY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on August 24, 2021, in the Courthouse at Kirksville. Presiding Commissioner Shahan and Commissioner King were present. Commissioner Thompson was absent.

At 10:15 a.m., the Elected Official's monthly meeting was held in the Division I Courtroom of the Adair County Courthouse. Attending the meeting were Adair County Presiding Commissioner, Mark Shahan; Adair County 1<sup>st</sup> District Commissioner, Bill King; Adair County Clerk, Sandra Collop; Adair County Prosecuting Attorney, Matt Wilson; Adair County Treasurer, Lori Smith, Adair County Recorder, Pat Shoush; Adair County Sheriff, Eldon Grissom; and Adair County Circuit Clerk, Linda Decker. Absent were Adair County Public Administrator, Rhonda Noe; Adair County Coroner, Brian Noe; Adair County Collector, Sonja Harden; Adair County 2<sup>nd</sup> District Commissioner, Mark Thompson; and Adair County Assessor, Kent Bryant.

Ms. Smith stated she had received e-mail that was ransom ware. It looked like it had come from out of the country. She sent it to Huber & Associates for their review. It is known as scareware and has since been blocked by Huber. E-mails such as this are used to get people to give money. Ms. Smith also mentioned that officials wanted the law changed to request a Sunshine Request thru a form.

Presiding Commissioner Shahan gave an update on the Courthouse renovation. They were working with legal counsel for financing and hoped to have the loan secured by the end of September.

Mrs. Decker has verification of the service provider for OSCA and IT provider. The Circuit Clerk's office will be moving to the front of the old Standard Register building (now Cenveo) on Industrial Road. There will also be room for a small courtroom. Mr. Wilson was concerned with the size. Mrs. Decker said the number would need to be limited in the courtroom. It was not large enough to hold a jury trial. The office will need to be moved as well. Sheriff Grissom said he did not have enough manpower for multiple locations. Mrs. Decker said it would be up to the Associate Judge if the small courtroom was also moved to the new location. They could always move to another County on a change of venue. She thought the news media needed to be notified of the office relocations and temporary location signs posted. She requested tarps to cover the furniture remaining in the courthouse. Presiding Commissioner Shahan agreed. Moving office equipment/furniture was discussed. Presiding Commissioner Shahan gave Mrs. Decker permission to hire a moving company. She can be reimbursed through the "blue sheet" process. Mrs. Decker stated she will need access to the Courthouse during the renovation to obtain records.

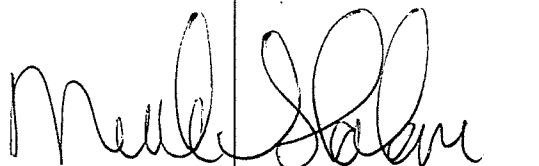

Ms. Smith expressed that the Commission needed to control how the money would be used for the renovation. The City of Kirksville experienced overruns with the aquatic center; they did not have solid numbers for their project. Occasional television coverage and interviews on Area Scene discussing what has been accomplished are avenues to keep the public informed of the progress.

TUESDAY, AUGUST 24, 2021**

Continued from page 378.

Presiding Commissioner Shahan said that it would cost \$500,000 for the elevator to go to the 4<sup>th</sup> floor. There would be limited access to that floor for the public.

Ms. Smith complimented the Commission on the heating and cooling that has been installed in the storage shed at the Road and Bridge Department. Presiding Commissioner Shahan said the Commission will be using the front area of the storage shed for their office during the renovation. Discussion was held regarding coordinating destruction of old records that are being stored there now. The long-term plan is to possibly make a meeting room and storage areas in the building and sell it to the Road and Bridge Department for their use.

Presiding Commissioner Shahan will talk to the contractors that the offices will not be moved by September 1. Mrs. Shoush wanted a key for entry to the Courthouse. He said that CTS would need to be contacted to get back into the Courthouse once everyone has moved out. Perhaps a schedule could be made to gain access during the renovation.

Mrs. Decker asked about janitorial services at her new location. Presiding Commissioner Shahan will set up a schedule with the maintenance people. Mail delivery was discussed.

Sheriff Grissom again stated that he did not have enough manpower for three courtrooms due to logistics.

Mrs. Shoush thinks that everyone has been dumped on and should have been informed as to what was going on.

Presiding Commissioner Shahan stated that we can do the best we can; plans change.

Mrs. Collop stated that it was anticipated that absentee voting would again be held at the Annex in 2022 due to Covid and the unavailability of the Courthouse.

The meeting ended at 11:50 a.m.

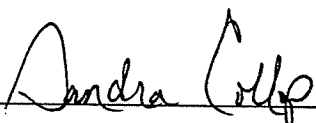

The Adair County Commission adjourned at 4:00 p.m. on August 24, 2021.

**Unscheduled Public Walk-Ins and other Non-Agenda Items for Tuesday, August 24, 2021:**
