**MONDAY, AUGUST 9, 2021**  
**4TH DAY JULY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on August 9, 2021, at the Courthouse in Kirksville. Presiding Commissioner Shahan and Commissioner King were present. Commissioner Thompson was absent.

At 9:00 a.m., the Commission met with Jon Dwiggins, Howe Company. Presiding Commissioner, Mark Shahan, signed closeout documents for Adair County Bridge No. 28400101 BRO B001(52).

Mr. Dwiggins told the Commission that other counties were using American Rescue Plan Act (ARPA) funds for planning bridge construction projects. Commissioner Shahan said that they would need to talk to Ivan Schraeder, the County Attorney, to get his opinion on using these funds for planning and design of bridges.

At 9:45 a.m., the Commission met with a salesperson from Altofer Inc. to discuss a purchase of equipment.

At 10:00 a.m., the Commission met with Howard Carter of Huber & Associates for a third quarter technical services briefing. Mr. Carter gave an overview of technology work that is currently in progress for Adair County. The Commission asked Mr. Carter to order two Meeting Owl Pros to conduct zoom meetings within the County. The Commission had no concerns at this time regarding technical issues within the County. Mr. Carter will continue to keep the Commission updated on tech support issues within the County.

Sheriff Grissom requested that Curtis Burgin be included in the August 13, 2021, payroll. Mr. Burgin worked in July but failed to turn in a paysheet for hours worked. After discussion, the Commission agreed to pay the hours worked in July, but they will be reported in August. Documentation will be in Mr. Burgin's file as to why his payroll information is out of sequence. It is noted that this action in no way is intended to set a precedent for the future.

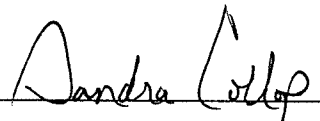

The Commission spent the afternoon touring wind farm roads with Ameren.
