

**ADAIR COUNTY COMMISSION MINUTES
WEDNESDAY FEBRUARY 23, 2022
8TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on February 23, 2022, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. All Commissioners were present.

At 3:30 p.m. the Commission along with Adair County Clerk Sandy Collop went to the State Capital Building in Jefferson City, Missouri. There, they attended a meeting along with other State legislators, Congressional Field Representatives, and several other counties and MODOT, hosted by State Senator Cindy O'Laughlin.

The meeting was to discuss funding for BRO bridge projects. There was some confusion as to the definition of what is considered local funding when applying for Soft Match funding from the Federal Government. Just prior to this meeting, MODOT had a meeting with some Congressional field representatives which cleared up the definition of local funding. Adair County had initially been told they were not eligible for Soft Match Funding, but with the new definition, it is believed that Adair County is in fact eligible for soft match funding on two railroad bridge projects.

The Adair County Commission adjourned at 4:45 p.m. on February 23, 2022.
