

**ADAIR COUNTY COMMISSION MINUTES**  
**WEDNESDAY MARCH 30, 2022**  
**23RD DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on March 30, 2022, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. Commissioner King and Commissioner Shahan were present, Commissioner Thompson attended a State Commissioners Meeting in Jefferson City.

At 10:00 am, the Commission had a meeting to discuss funding for indigent residents of Adair County that need guardianship's place on their behalf. Those present at the meeting include Rhonda Noe, Adair County Public Administrator; Jason Underwood, Mark Twain Behavioral Health (MTBH); Nicole Rohn, MTBH; and Janie Huffman, MTBH.

There currently is no funding to pay an attorney to fill the proper paperwork with the courts for guardianships. The discussion was to have the City of Kirksville and the County of Adair partner to possibly provide funding for this project. All the people that this money would be used for are already costing time and money for various entities in the community. And several in the past have died, that wouldn't have died if they had help. The City Council approved but wanted feedback from the County.

Commissioner King and Commissioner Shahan believed this to be a good project to investigate and the possible use of ARPA money for funding. More discussion of how this would work and the criteria for the use of the funds would need further discussion.

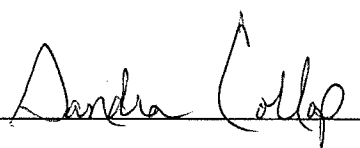

The Adair County Commission adjourned at 4:00 p.m. on March 30, 2022.
