

**ADAIR COUNTY COMMISSION MINUTES
WEDNESDAY MARCH 9, 2022
14TH DAY JANUARY ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on March 9, 2022, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. All Commissioners were present.

At 2:30 p.m. the Commission reviewed the 2022 Adair County Road Maintenance Policy. Commissioner Thompson moved to accept the 2022 policy. Commissioner King seconded the motion. All voted in favor.

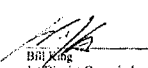

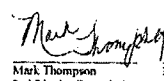

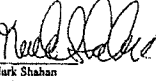

The Adair County Commission adjourned at 4:00 p.m. on March 9, 2022.

Unscheduled public walk-ins and other non-agenda items for March 9, 2022

IN REF. ORDER NO 19 2022 Adair County Road Maintenance Policy

<p><i>Adair County Commission</i></p> <p>106 W Washington Kirksville, MO 63501 Phone 660-665-2283 Fax 660-665-8406</p> <p style="text-align: right;">Mark Shahan, Presiding Commissioner William King, 1st District Commissioner Mark Thompson, 2nd District Commissioner</p> <p style="text-align: center;">Page 1 of 2</p> <p style="text-align: center;">Road Maintenance Policy for Calendar Year 2022</p> <p>CART Rock: (aka Free Rock) The CART rock application will be approximately 100 tons of inch and a quarter sized gravel per mile spread on the maintained county gravel roads each year. Larger amounts may be applied to heavily traveled roads as determined by the County Commission in consultation with the Road and Bridge supervisor.</p> <p>Cash Rock: The policy of permitting citizens to purchase road rock for specific sections of Adair County roads at the County's purchase price will be continued for calendar year 2022. Citizens who elect to purchase Cash Rock will pay 100% of the cost of the rock and the County will provide delivery/spreading costs. Purchased amounts of 16 or 24 tons are required for transportation efficiency. One and one half (1 ½) inch rock will not be available unless Commission approval on a case-by-case basis. Citizens must remit their Cash Rock payment to the Adair County Treasurer prior to delivery. Citizen contact information is required.</p> <p>Dirt Roads: The County will not place either CART Rock or Cash Rock on County roads that are dirt roads or lack an adequate amount of gravel to be sustainable as gravel roads. Citizens may convert dirt roads by paying the County the applicable funds for 600 tons of rock per mile needed to establish it as an acceptable County maintained gravel road. The eligibility of the road for a requested conversion will be determined by the County Commission on a case-by-case basis.</p> <p>Fence Rows: If the County is requested to perform fence row dozing work for property owners, the owner will (1) pay the County for dozing at the rate of \$100.00 per hour and replace (2) the rock on that part of the road. The minimum amount of rock to be replaced will be 50 tons per ¼ mile if the roadbed is disturbed.</p>	<p style="text-align: right;">Page 2 of 2</p> <p>Private Work and Materials: No work may be performed on County roads and no material may be placed on County roads by any person or organization, other than the Road and Bridge Department, unless such work and/or materials are approved by the County Commission.</p> <p>Drainage Tubes: Citizens electing to purchase metal Drainage Tubes (plastic tubes if available) for a county road right-a-way entrance into private property may do so at County purchase price plus 20%. Tubes will be delivered and installed at County expense.</p> <p>Ice covered gravel roads: The County does not treat ice covered roads with salt/brine/etc.</p> <p>Snow Removal: Snow blades will be positioned to prevent removing gravel from the road surface, therefore, a small amount of snow may remain on the road.</p> <p>Dust Control: Dust control on a county gravel road may be contracted with a private firm at the citizen's expense. It is recommended to coordinate the dust control material application and the affected roadway grader preparation with the Road and Bridge Supervisor.</p> <p>The above policy is approved by the Adair County Commission and will become effective March 9, 2022.</p> <p style="text-align: center;">    Bill King Mark Thompson Mark Shahan 1st District Commissioner 2nd District Commission Presiding Commissioner </p>
