**TUESDAY MAY 31, 2022**  
**12TH DAY APRIL ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on May 31, 2022, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. All Commissioners were present.

At 9:30 am, the Commission met with Travis Wombwell, NE District Bridge Engineer, about this year's bridge inspections. Mr. Wombwell stated that he had noted changes in 4 bridges during this report. Bridge 0740005, located on Lone Pine Way, had been replaced with a concrete culvert. Bridge 3150001 is listed as an Adair County Bridge but is within the City of Novinger. Bridge 3620005, located on Prairie View Trail, had been closed and Bridge 3160004, located on Titan Lane, needed the wight limit reduced.

The bridge on Lone Pine Way had the culvert replaced by the Wind Farm contractors. The Bridge in Novinger is owned by the City of Novinger and the County was not sure why it was listed in the Adair County inventory. The bridge on Prairie View Trail, had been knocked off its foundation during a flood and the County plans on fixing it. The bridge on Titan Lane, was going to be removed by BNSF and would be closed soon.

The Adair County Commission adjourned at 4:00 p.m. on May 31, 2022.
