

**ADAIR COUNTY COMMISSION MINUTES**  
**WEDNESDAY NOVEMBER 16, 2022**  
**8TH DAY OCTOBER ADJOURNED**

The Adair County Commission convened at 8:30 a.m. on November 16, 2022, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. All Commissioners were present.

At 9:30 a.m., the Commission attended a phone conference with AT&T for a service review. Attending on the phone for AT&T were Andria Kenslow and Jerod Thompson. Also attending by phone was Adair County Clerk, Sandy Collop; Deputy Clerk, Tammy Miller; and Bill Bray from Teleplus. Ms. Kenslow went over the County's current contracts and suggested ways to save money by moving the POTS lines from Plexar to either VOP or Phone for Business Advance. They were going to get back to us with some cost after some review of the current lines.

At 10:30 a.m., the Commission had a discussion on Commission expenses. They agreed that if a Commissioner wanted to go to a conference or meeting, that two of the Commissioners had to agree that it was beneficial for the County before it would be paid by the County. It was also agreed that any Commissioner could attend conferences and meetings at any time, but they may have to pay their expenses.

The Adair County Commission adjourned at 4:00 p.m. on November 16, 2022.
