

**ADAIR COUNTY COMMISSION MINUTES  
MONDAY JANUARY 23, 2023  
8TH DAY JANUARY REGULAR**

The Adair County Commission convened at 8:30 a.m. on January 23, 2023, at their temporary office located in the records storage building at the Adair County Road and Bridge complex. Commissioners Shahan was not present.

At 9:00 a.m., the Commission met with Kirksville Mayor, Zac Burden, who was representing the Kirksville Historic Preservation Commission. Mayor Burden talked to the Commission about having the Adair County Courthouse listed with the Kirksville Historic Preservation Commission as a Landmark Historic Property.

By listing the Courthouse as a Historic Property, it would assist in the future upkeep of the Courthouse and help maintain its current historic architecture. It could also stop in the future destruction of the property. Mayor Burden stated by being listed as a Landmark Historic Property, the County would have input from the community. He left a nomination form and advised he would follow up with the Commission in a couple of weeks.

The Commission spent the rest of the day discussing the budget.

The Adair County Commission adjourned at 12:00 p.m. on January 23, 2023.
