ADAIR COUNTY COMMISSION MINUTES WEDNESDAY MARCH 8, 2023 13TH DAY JANUARY ADJOURNED

The Adair County Commission convened at 8:30 a.m. on March 08, 2023, at their temporary office located in the old Veterans Office located on the North side East door of the Adair County Courthouse. All Commissioners were present.

At 9:30 a.m., the Commission met with Carol Richardson from the E-911 Center. Ms. Richardson had been approached by an individual requesting a new E-911 address on Cambridge Lane. Cambridge Lane is located on the Adair/Knox County line running north and south where the house will be built. Ms. Richardson advised that the majority of Cambridge runs east and west. At the County line it runs north and south, causing an issue with addressing this portion of the roadway. Knox County was contacted and the west side of Cambridge that is in Knox County is called Lark Ave. Since there were currently no houses in this portion of Cambridge, the solution was to change the name of the north south part of Cambridge. Commissioner King moved to change this portion of Cambridge to Lark Lane to reduce the confusion of having two different names. Commissioner Shahan seconded the motion. All Commissioners voted in favor.

At 9:00 a.m., the Commission met with Suzanne Kmet from Kmet HR Consulting. Also present was Adair County Clerk, Sandy Collop. Ms. Kmet was doing a salary survey for Adair County. Ms. Kmet had surveyed seventy cities and counties in Missouri. During her presentation it was discovered that Ms. Kmet was using the 2022 salary schedule for Adair County not the 2023 schedule. It was also evident that several of the county positions were either old or redundant. Ms. Kmet also discussed moving from Vacation/Sick leave to Paid Time Off (PTO). No decisions were made at this time. Ms. Kmet was going to adjust the pay and positions and get back with the Commission.

ADAIR COUNTY COMMISSION MINUTES MONDAY MARCH 27, 2023 20TH DAY JANUARY ADJOURNED

The Adair County Commission convened at 8:30 a.m. on March 27, 2023, at their temporary office located in the old Veterans Office located on the North side East door of the Adair County Courthouse. All Commissioners were present.

At 9:00 a.m., the Commission attended a zoom meeting with AT&T. AT&T had questions about the phone lines into the elevator. Those questions were answered, and the tentative date of installation was April 10, 2023.

At 10:00 a.m., the Commission met with Kayla Wilbers and Rick Hunolt from Huber and Associates. They gave an update on the County's IT system. They advised the overall health of our system to be very healthy. The County has a rating of 844 (excellent) on the digital maturity index. They discussed a 2-factor security to possibly reduce insurance costs. There was one server that needed updating this year. Until the County Offices are moved back into the Courthouse and all the systems are evaluated, no decision will be made.

At 11:15 a.m., the Commission met with Andrea Davis from Family Heritage Division of Global Life. Family Heritage Division provides supplemental insurance and has been in business since 1979. They currently cover multiple Counties in Northwest Missouri. This insurance would not run through the County's payroll and would be up to each employee to purchase and take care of themselves. It was suggested that Ms. Davis attend an elected officials meeting and see if any of the elected officials wished to offer it to their employees.

At 1:00 p.m., the Commission reviewed the closure of the loan on the Courthouse. Commissioner King moved to request the remaining \$29,515.10 to close out the loan. Commissioner Thompson seconded and all voted in favor.

AQM Verkada Authorized Reseller Adair County Courthouse March 23,2023 PROPOSAL FOR Security camera viewing and control system Adair County Clerk-Sandy Collop 311 N. Elson St. Kirksville, MO 63501 scollop@adaircomo.com ĸΩν

Verkada Authorized Reseller

BID SUMMARY

Verkada is unifie traditional security systems that require an on-premise NVR/DVR where all of the cameras mbck to and often run out of storage, and are complicated to view outside of the viewing station on site. Moding and sharing dootage is a nightmaner, artivigating the platforms are complex, and fastly they are a security necern for all IT firms when poking holes through the firewall to allow remote access.

Verkada has a hybrid approach where the cameros themselves have an SSD drive on them and retain the 10+ days of footage on them, but also have UNLIMITED cloud archiving ability. Viewing can be easily done on premine at the viewing station, on your mobile devices wis the Verkada Command app, and on any device where you can reach the internet. There are combined ourse allowed to be added, and the administrator can create groups for ease of viewing like, or previous footage, saving capabilities, and settings of the cameras themselves. Each user creates their own login and password, and they are assigned roles with their capabilities, if an employed leaver, the administrator can delete them easily removing their access.

The only piece of additional hardware required is a PoE switch with enough waitage to keep the cameras powered and connected to the internet. Their unmatched 10-year hardware warranty is in piece as long as the literating for the cameras is up to date. If there is even an instance where vehada support standor tourbleshoot and fetch be publishen, there will be an overnighted camera delivered right ways. This takes away the concerned unpredictable costs at socioted with cumerast beaking. The literating also provided automatic firmware updates, which this remain no technician on the manually suggrading the cameras to the newest settings needed to continue working.

The Verkada Command platform allows additional Verkada product lines such as door access control, endronnental senson, alarms, and intercoms to be easily monitored all at one place. This makes purchasing Verkada a very scaleble physical secting platform that is turned by many municipalities around the country, AQM works with several counties including Warren Country, Gasconaule Country, and Franklin Country.

After reviewing the floor plans and the placements of the new samerst, we decided to place 5-megapixel builet camerat in all the areas where the focur is the doorway, an entrance, or an exit. That was a total of 22 camerat, There camerar will be great for confecting data of everyone who enters the building, there is a people counter analytic that can be used to see how many different people come Into the building each day suiking a facility recognition. The remaining other 17 cameras are perfect use cases for a dome camera needing to gailter a larger range of view.

- They have a smaller profile, providing a more discreet presence.

 The lacial recognition will also allow the county to create a "noe-entry allowed" list where uploaded pictures of basend individuals can be setup to provide an alert to the sheriff's office or wheever is selected for this alert.

 In an active shooter event, once identified, that individual would be easily identified of their latest location in the building.

The Viewing Station can be connected to any monitor/smart TV with an HDMI connection. It provides Verlada Command software that provides zero-lay viewing capability. The ability to create grids to view at certain cameras grouped however you choose.

ADAIR COUNTY COMMISSION MINUTES WEDNESDAY APRIL 5, 2023 3RD DAY APRIL REGULAR

The Adair County Commission convened at 8:30 a.m. on April 05, 2023, at their temporary office located in the old Veterans Office located on the North side East door of the Adair County Courthouse. All Commissioners were present.

At 1:30 p.m., the Commission reviewed ARPA requests. Request #7 from City of Kirksville was passed on. Request #10 from Sieren's needed more information. Request #11 was withdrawn by Fairfield-Broach LLC because they had partnered with the NEMO Fairgrounds on request #14. Request #12 by the Ambulance District was denied due to having already received a previous request. Request #13 from Hamilton Street Baptist Church needed additional information.

Request #14, a joint venture between the Adair County Horse Association and the NEMO Fair Association, for \$185,602.00 was reviewed. Commissioner Shahan moved to approve the joint venture. Commissioner King seconded the motion. Commissioner King and Commissioner Shahan voted in favor. Commissioner Thompson abstained.

At 2:00 p.m., the Commission met with David Aumus from Howe Company. He had some additional copies of the easements already signed by the Commission on March 29, 2023.

At 2:15 p.m., the Commission met with Sheriff Eldon Grissom, Chief Deputy Jason Lene and Danica Collinge about staffing issues in the jail. They talked about how they have three jailers that will be leaving in the next couple of weeks and another three that will be leaving soon after that. They say that the staff is leaving because they can drive to Moberly and make a lot more money. They stated that they are having a hard time recruiting and keeping help in the jail. The cost of training these people and then losing them is an additional financial issue. The County had just completed a survey of pay for all County employees and the jail staff were the only positions way behind in pay. They requested that they be able to increase the pay for jailers to \$19.00 starting pay.

The Commission discussed with them what they would be able to cut from their budget to pay for these increased salaries. There was discussion of if the cost continues to rise at the jail, would it be cheaper to continue with the jail or close it and house the inmates elsewhere? There was also discussion of an increased sales tax.

Commissioner Thompson moved to approve an additional \$151,627.40 from the 301 Law Enforcement Services as a budget adjustment for the current emergency on staffing. Commissioner Shahan seconded the motion. All Commissioners voted in favor.

The Commission adjourned at 4:00 p.m. on April 05, 2023.

ADAIR COUNTY COMMISSION MINUTES MONDAY APRIL 10, 2023 4TH DAY APRIL REGULAR

The Adair County Commission convened at 8:30 a.m. on April 10, 2023, at their temporary office located in the old Veterans Office located on the North side East door of the Adair County Courthouse. All Commissioners were present.

At 9:00 a.m., the Commission reviewed the bids for security cameras that had been opened on April 04, 2023. The two lowest bids were for Capital Technologies for \$19,746.44 and Winkler Communications for \$20,692.00, both for on premise systems. Although Capital Technologies was the lowest, it is in Joplin, MO which is a 4 hour and 58-minute drive to Kirksville, which would increase the labor cost for repair and maintenance. Winkler Communication Services is a local vender and is located in Kirksville.

Based on local preference and the additional cost for driving time, Commission Thompson moved to accept Winkler Communication Services bid. Commissioner Shahan seconded the motion, and all voted in favor.

At 9:30 a.m., the Commission conducted a 3rd reading on the closing of a portion of Deerwood Lane. Those present at the hearing were Andy Whittom and Cole Scroggs. Mr. Scroggs also had his brother Jeremy Scroggs on the phone. Mr. Scroggs who owns a house on Deerwood Lane wanted the road closed because of illegal dumping and trespassing. Mr. Whittom, who owns the land at the end of the road, wants the road opened. He stated that he has owned the property since the 70's and doesn't believe there is an issue and wants it left open. This is a second time Mr. Scroggs has attempted to close the road. Commissioner Shahan requested Mr. Scroggs put up cameras and show it to the Commissioners for further information. Commissioner Shahan also asked if a road had ever been closed before when there was opposition. Commissioner King said he was not aware of this, but Commissioner Thompson said the Commission had. Commissioner Thompson moved to close the road. Commissioner Shahan seconded the motion. Commissioner King voted no. Commissioner Thompson voted yes. Commissioner Shahan voted no.

The Commission spent the rest of the day attempting to contact applicants for the open Human Resource position. T.R. was contacted and declined the job based on pay. S.M. had already taken another position. P.S. was not willing to move. F.W. was also not willing to move.

The Adair County Commission adjourned at 4:00 p.m. on April 10, 2023.

Adair County Clerk, Sandra Collop, reported official results from the April 4, 2023, Municipal Election. They are as follows:

Question 1: Shall ADAIR COUNTY, Missouri impose a countywide sales tax of three percent (3%) on all tangible personal property retail sales of adult use marijuana sold in ADAIR COUNTY, Missouri. YES - 1,835; NO - 535.

Temporary Construction Easement & Permanent Easement Adair County Bridge No. 07100151

The County Commission is pleased to inform you of a bridge improvement project planned for your area. Engineering drawings which describe the proposed project are attached.

We do want to inform you that you do have the right to receive compensation for the land in question, as determined by an appraisal for the rights taken from your property.

We are hopeful that, because of the benefits to be derived from the project, we can reach an agreement with you to donate approximately 0.23 acre of your land as a temporary construction essement to accomplish the construction of the new bridge and slope banks, and approximately 0.02 acre of your land as a permanent essement. If you choose to donate your land, we would appreciate your signing this letter below, waiving your right to compensation and pro-rate tax adjustment and returning it to us. To comply with regulations, we will also need your signature later on a formal agreement, or essement.

An acquisition brochure is furnished with this letter. Its purpose is to explain the process which must be followed to acquire right of way.

We look forward to the continuation of our bridge improvement program and are grateful for the opportunity to serve you.

Respectfully,

Mark Shahan

Temporary Construction Easement & Permanent Easement RE: Adair County Bridge No. 07100151

The County Commission is pleased to inform you of a bridge improvement project planned for your area. Engineering drawings which describe the proposed project are attached.

We do want to inform you that you do have the right to receive compensation for the land in question, as determined by an appraisal for the rights taken from your property.

We are hopeful that, because of the benefits to be derived from the project, we can reach an agreement with you to donate approximately 0.24 acre of your land as a temporary construction easement to accomplish the construction of the new bridge and slope banks, and approximately 0.31 acre of your land as a permanent casement. If you choose to donate your land, we would appreciate your signing this letter below, waiving your right to compensation and pro-rate tax adjustment and returning it to us. To comply with regulations, we will also need your signature later on a formal agreement, or easement.

An acquisition brochure is furnished with this letter. Its purpose is to explain the process which must be followed to acquire right of

ADAIR COUNTY COMMISSION MINUTES TUESDAY APRIL 11, 2023 5TH DAY APRIL REGULAR

The Adair County Commission convened at 8:30 a.m. on April 11, 2023, at their temporary office located in the old Veterans Office located on the North side East door of the Adair County Courthouse. Commissioner Thompson was not present.

At 9:00 a.m. the Commission met with Allie Bennett, Doug Aeilts, Skyler Wiegmann from Northeast Power, and Mike Scheir from Tri-County Electric. The Commission was informed that Northeast Power was going to build a transmission line from Zachery Station in Adair County to Sullivan County near Milan. This was to link-up with NW Electric Power Cooperative. They said that letters to possible landowners affected by this line would be sent out and wanted to give the Commission a heads up. They stated the line would be approximately thirty-three miles long with approximately fifteen miles in Adair County.

The Commission was told that the line would be either on H poles or mono poles depending on if there was another power company that wanted to co-locate on their lines. They stated there would be two open house meetings, one in Sullivan County on May 16th and another in Adair County on May 17th.

The Commission spent the rest of the day attempting to contact the other HR applicants. J.B. was not interested in moving. B.B. was no longer interested in the position. Y.T. did not leave a phone number or email address and could not be contacted. J.V. and M.O. were still interested and were advised interviews would be set up for next week or the week after.

The Adair County Commission adjourned at 4:00 p.m. on April 11, 2023.
