**The food was great and there was plenty of it. We also had a lot of door prizes plus big hams that were given away. We hope to be able to do this every year. There were a lot more awards given out, I just did not get pictures.**

**Other news from the County.**

**We are working on putting together a Wellness Program for 2026. The Commission and I have been going through it to see what plan we would like to go with. The program could also give employees a credit toward their insurance for just participating as well as incentives to stop smoking. The plan would be to have Quest Diagnostics come in and do a Biometric Screening which would be composed of Vitals and blood draws for labs. This wellness program will follow all HIPAA guidelines and requirements. After they get your results, a report will be sent to you, and you can give it to your doctor.**

**I should have more information by the next newsletter.**

**Don't forget to pay your taxes, Dec. 31 is the last day before you get a penalty. There is a drop box at the bottom of the North Stairs if you do not want to wait in line.**

---

**We are not getting a COLA this year, instead we are all getting a 3% raise. This will be reflected in your next paycheck, for pay period one, of this year. This would be a good time for you to think about starting a CERF Savings account if you do not have one already or increasing what you put in the account. Remember for the first 4% of your check you put in it gets matched 50%, (or 2% if you do the full 4%). You also are vested in CERF savings in 5 years.**

**Email me at [morskog@adaircomo.gov](mailto:morskog@adaircomo.gov) to learn more.**

**Everyone should have gotten their Insurance Cards from GBS by now. If not let me know so we can get that to you ASAP. I added next year's Holidays in case you did not get a copy. Everyone have a fun and safe New Years!!!!!!!!!!!!!! HR**
